DESTROY COMMUNISM

This is a patriotic political Party which believes that our America will be Freed from the Jews. Our Freedom will be won in a legal and political way. When our candidates are elected to Public Office, Anti-Jewish Laws and Constitutional Amendments will be enacted that will Free Our Country from the Jews forever.

Our Party Stands for:

CHRISTIANITY

America First
American Independence
American Nationalism
A Free America
NO world government
NO United Nations
NO More Foreign Aid

The White Race and its Preservation
No Foreign Immigration, Except Pure White
Removal of Jew Control of the Press, etc.
Upholding the U. S. Constitution
Free Enterprise and High Wages
Large Old Age Pensions
Lower Federal Taxes
Lower Income Taxes

*Nations that receive American Military Protection must Pay for it and supply us with troops—
then our Taxes can be greatly reduced and many American lives saved.*

Racial Segregation in preparation for giving all Africans in America a rich Country of their own in Africa.

DEPORT THE COMMUNISTS

Our Party is against communism. Communism is Jewish! Communism is a Jew plot to destroy us and conquer the world. Revolutions, wars, internationalism, economic chaos, inflations, starvations, unemployment and depressions are deliberately designed by the Jews to promote their communistic conspiracy. In every communist Country, the Jews are the ruling race. Remember, almost all communist spies are Jews, such as Harry Gold, Harry Dexter White (Welt), and the two electrocuted Rosenbergs. Our Party proposes for the Government to deport all communists to Palestine. Without the Jews there would be NO communism.

CHRISTIANITY IS ANTI-JEWISH

The HOLY BIBLE says we Christians are GOD's Chosen People, not the Jews. The Jews are the children of the devil. All Christians are due to be against the Jew-devil's because they are GOD's worst enemies in this world. The BIBLE is True. Also, open the BIBLE and see what verses 14-16 of Chapter 2 of I Thessalonians and verses 44-48 of Chapter 8 of St. John say against the Jews.

FREE AMERICA FROM THE JEWS

Anti-Jewism is a leading Christian virtue and an essential American virtue. Our Party believes in Anti-Jewism. Anti-Jewism says that America rightfully belongs to us Americans, not to the Jews; Jew-devils have NO place in a Christian Country. Since the Jews now have a Country of their own, let them go to it. Our Party demands that the American Government expel the Jews to Palestine and Confiscate their ill-gotten wealth for the benefit of the American people. When the Jews are gone, we Americans will own rich America.

WE WANT OUR MONEY BACK

The Jews have our money and we want it back. When we get it back, we will then enjoy a genuine and lasting prosperity, with plenty for all. Why should Americans suffer poverty in a rich land of plenty while the hog-gish Jews wallow in luxury? And why should we Americans go hungry while the greedy Jews hoard our dollars? All fair-minded people know that it is not right for the Jews to have a Monopoly of our money and wealth. We will abolish Jewish Monopoly so that every young American will have an opportunity to earn a fortune or decent living in this bountiful Land of ours. Money, gold, businesses and property that the Jews unrighteously possess will be legally taken by the United States Government and given to us. The Jews have too much money; but, soon, it will be ours!

Are You a Real American?

If you are a White Christian American and desire to serve CHRISTIANITY and America by joining our patriotic Party, sign, enclose, and mail to the Christian Anti-Jewish Party, Edward R. Fields, Chief Secretary, P. O. Box 48, Atlanta, Ga. Information will then be sent telling how to apply for membership. NO cowards wanted!

Remember: Those people that support the Jews are followers of Judas Iscariot!

VOTE ANTI-JEWISH

The African race in America is a victim of the Jews. The Jews hate the Africans as well as us Whites; they want to destroy both races through mongrelization. However, they are naturally willing to use the Negroes for their own purposes.

JEWS BEHIND RACE MIXING

"JEWISH LIFE", official organ of the Jewish section of the Communist party, in its June, 1950 issue on page 8, states:

"Our job as Jewish Communists is to take the lead in educating the Jewish masses on the meaning of white supremacy and to enroll the Jewish community in an all-out fight against it. This is paramount in our work in the struggle for negro rights. This is vital to the struggle of the Jewish people for their own security and future."

It has surprised some people to find out that the president of the National Association for the Advancement of Colored People (NAACP) is NOT a Negro BUT the JEW ARTHUR SPINGARN. It is the Jews who are leading the fight to destroy segregation in Atlanta schools.

The NAACP is sponsoring suits all over the country and in the U. S. Supreme Court to break down Racial Segregation and open up our White schools, restaurants, busses and hotels to negroes. All important Jewish organizations are against Segregation and have petitioned Congress for an anti-White FEPC law.

A Jew, Julius Rosenwald, spent \$30 million financing organizations and writers that promote mongrelization. A race once mongrelized is mongrelized forever.

*America must awaken to the Jew attack against White People!

An Application for Membership
in The

CHRISTIAN ANTI-JEWISH PARTY

To J. R. Stoner, the Archdeacon of the CHRISTIAN ANTI-JEWISH PARTY, and to your Successors:

I, the undersigned, am a true and loyal White, Gentile, Anti-Jewish, Christian American. As such, I hereby renounce and all political allegiance to any and all other political parties and persons and, hereafter, give my full political support to you and your successors; I will give the same support to your Successors, however you provide. I do so because I admire your Christian patriotic efforts to Free Our America from the Jews. If I ever become unwilling to follow you, I will promptly resign from the Party by sending you a written Resignation.

In so far as affairs of the Christian Anti-Jewish Party are concerned, I recognize your authority as being full and complete. You have the complete and unrestricted right to do and to un-do and to give orders and to rescind orders. In so far as you, as leader, think that such will benefit this Party, you may dispose of said Party's funds and resources however you deem proper, without restrictions.

I assure you that I will never believe Jewish or Jewish inspired lies that are directed against you and the Party. Controlled newspapers will never deceive me; I will always believe you in preference to them.

I agree to vote for and support any and all candidates that the Christian Anti-Jewish Party nominates or endorses for election. I will vote in every election. At every election, I will ardently strive to get at least 25 non-members to go to the polls with me as candidates of this Party. I will also support this Party's position in all referendums. I will do more than my part.

I recognize the fact that CHRISTIANITY is the one and only true religion and that all other so-called religions are false. I believe in Anti-Jewism, American Independence, the White Race and its Preservation, Liberty, Private Property, Freedom of Speech, by Jury, active Patriotism, Law and Order, Upholding the U. S. Constitution, Free Enterprise and High Wages, Tax Reduction, and Homes, low Federal Taxes, large Old Age Pensions, and the Party's other great principles.

I, like you, am against communism, socialism, high taxes, internationalism, the United Nations plot, the world government, espionage, and racial mongrelization because all of these things are evil and Jewish. Communism is Jewish! Socialism is Jewish! Espionage is Jewish! The United Nations is Jewish! The world government is Jewish! The world government is Jewish!

ReBuairtel May 21, 1958, captioned as above.

As you are aware, the Birmingham Police Department recovered a bag containing unexploded dynamite at the scene of the attempted bombing of the Temple Beth-El in Birmingham. This bag contained a piece of cardboard and examination by the Bureau Laboratory reflected two latent fingerprints of value for comparison purposes on this cardboard. Photographic copies of these latent fingerprints have been retained by the Bureau.

Re: Christian Anti-Jewish Party
65-15743

Although the Bureau is not investigating the recent bombings in the South, it is pertinent in connection with the investigation of the Christian Anti-Jewish Party (CAJP) to compare the fingerprints of logical individuals associated with Stoner and the CAJP with the fingerprints obtained by the Birmingham Police Department.

Accordingly, all offices are instructed to review their files to identify all known members of the CAJP and other logical individuals such as close associates of Stoner. In instances where your files reflect that these individuals have FBI numbers, local arrest or other appropriate identifying numbers, submit the names of such individuals to the Bureau together with the appropriate identifying numbers in order that the fingerprints of such individuals may be checked against those obtained at the site of the attempted Birmingham bombing. Where your files reflect that logical individuals do not have appropriate identifying numbers, furnish the Bureau with appropriate background data re such individuals, including data re date of birth, race, sex, residence and occupation in order that a name check of Identification Division records may be conducted. In nearly all instances such background data will be available in your files. Where such data is not so available, obtain same through credit checks. If your files reflect that an individual whose fingerprints should logically be checked resides in another field division, set forth a lead for the pertinent office to obtain the desired data. Do not conduct any overt inquiries, including contacts with police departments, to obtain this information and caution any office having leads in this matter accordingly. Submit such data immediately under the caption of this case and designate a copy of your communication for the Identification Division. You are advised that the Identification Division has already been requested to conduct fingerprint comparison examinations on the following individuals:

Jesse B. Stoner

Re: Christian Anti-Jewish Party
65-15743

Stoner, who is residing in Dublin, Georgia, reportedly has stated he must lay low until at least June 1 to avoid arrest and that he has another job due soon. For the information of all offices Savannah was instructed by teletype May 27, 1958, to institute intensified coverage of Stoner immediately including use of informants or other type coverage in order to be aware of his activities on a day-to-day basis. Savannah was instructed to institute fisur to cover his activities, if necessary, but that fisur must be discreet to avoid embarrassment to the Bureau. Savannah advised on May 28, 1958, that Stoner will not be working on May 30, 1958, and fisur will be instituted.

Offices covering residences of individuals known to have been affiliated with CAJP or Stoner are instructed to obtain immediately informant or other type coverage of these individuals in order that all pertinent activities on their part will be known to your offices. This investigation must be pressed vigorously.

It is reiterated that the investigation of Stoner and others is for the purpose of determining if they are engaged in activities which would bring them within the purview of Executive Order 10450.

SUBJECT: CHRISTIAN ANTI-JEWISH PARTY

DATE: 5/29/58

On 5/29/58 at 4:20 P.M., ASAC WILLIAM WELTE, Savannah, telephonically advised the following:

Two Birmingham PD and two Jacksonville PD Officers arrived at Dublin, Georgia, with intention of having SO pick up STONER and fingerprint him. Sheriff advised these officers that STONER was under investigation by FBI and he did not want to take this action unless agreeable to the FBI. Officers contacted FBI and were informed that STONER was under investigation. It was simultaneously ascertained that the Jacksonville PD had located fingerprints of STONER at Tallahassee, Fla., and were submitting them to Bureau for comparison purposes.

ASAC WELTE advised he had received a telephone call from [redacted] of the Bureau who was calling at Mr. [redacted] instructions. [redacted] stated that now the police know the FBI is investigating [redacted] We should not volunteer information but should we receive an inquiry from the Birmingham PD we should advise the head of that department that we are investigating STONER and that our investigation of STONER has nothing to do with the bombing. Our policy on the bombing has not changed. b7C

Re Atlanta tel dated 6/21/58. [redacted] OBI,
Atlanta, advised that on Friday afternoon, 6/20/58, he had been
in telephonic contact with Birmingham PD detectives and had
advised them regarding the physical layout and area of [redacted]

[redacted] said that he
informed Birmingham officers that he did not contemplate placing
a physical surveillance as there was no facility available
enabling same to be conducted with discreetness. Further advised
Birmingham PD that he did not feel it was possible to cover any
type of meeting at the [redacted] residence, and that the only thing
that could possibly have been obtained would have been one or two
license numbers, which would mean absolutely nothing not knowing
the individuals who may have attended such a meeting.

[redacted] further advised Birmingham PD that he did not
contemplate this physical surveillance unless they desired to
bring eight or ten officers, at which time he would cooperate
with them in effort to afford limited coverage, but even with
such manpower discreetness of figur could not be assured.

On 6/23/58 [redacted] advised that on late
Saturday afternoon he, [redacted] drove through
the rural area near the [redacted] residence and was unable
to observe any cars or tag numbers of cars which may have been
going to the [redacted] residence. Stated he spent approximately
fifteen minutes in this general area but observed nothing unusual
in area and nothing indicative of fact that meeting might be in
progress.

Bufiles reflect that [redacted] mentioned retel as having been in contact with [redacted] may be identical with [redacted] captioned organization.

Where files reflect that logical individuals do not have appropriate identifying numbers Jacksonville should furnish the Bureau with sufficient background data so their names may be checked through the indices of the Identification Division. Jacksonville should handle this matter strictly in accordance with instructions set forth in reBuairtel 5-28-58.

While Jacksonville is reminded that investigation in this regard is for the purpose of determining whether captioned organization has adopted a policy of advocating or approving the commission of acts which come within the purview of Executive Order 10450, and the Bureau is not investigating recent bombings in the South, we should be alert for information of pertinence to these bombings developed as a by-product of our investigation.

The Identification Division is requested to attempt to locate fingerprints of the above individuals and compare them with the two latent fingerprints located by the Identification Division on the bag containing the unexploded dynamite which was recovered at the scene of the attempted bombing of the Temple of Breth-el at Birmingham, Alabama.

XX 100-2955

In addition to the above reported associates of J. D. STONER, a list of twenty names was obtained in November, 1954, at Chattanooga, Tennessee, which was supposedly dropped by J. D. STONER in November, 1954. This list of twenty individuals is believed to be possible members of the Christian Anti-Jewish Party at Chattanooga, during that period. Efforts will be made to obtain additional background information regarding these individuals and their names will then be submitted to the FBI Identification Division for possible location of fingerprints.

Remyairtel 7/17/58, instructing all offices to discontinue investigation; and Knoxville airtel 7/25/58.

Bureau letter to Atlanta dated 7/2/58, stated that it was not desired that captioned case be kept in pending status merely for the purpose of submitting the names of possible suspects in the attempted bombing of the Temple Bethel in Birmingham to the Identification Division for fingerprint comparison examinations. It would therefore appear that the Bureau desired only to close captioned case and did not intend that offices should discontinue submitting the names of suspects in the above bombing for fingerprint comparison examinations. It is believed that the Bureau intended for Knoxville to continue to submit these names.

Captioned case is being continued in a closed status.

The only information available to Atlanta since the last closing report, which is of a nature indicating a possible existing Christian Anti-Jewish Party organization, is the list of names

b7C

[REDACTED] conducted 10/12/58 in conjunction with the Atlanta Jewish Temple Bombing investigation.

Referenced Atlanta airtel requested all offices receiving copies to interview if desirable or feasible all persons whose names appeared on these cards, which cards appeared to be requests for membership application blanks.

The Atlanta airtel also requested these persons be interviewed regarding connections with Christian Anti-Jewish Party, both past and present, as well as the identity of acquaintances they may have made through any such connection, in addition to interviewing them concerning any knowledge of STONER, [REDACTED]

b7C

b7C

[REDACTED]

Referenced Bureau airtel dated 11/14/58, advised that the interviews should be conducted along the lines of seeking information regarding STONER, [REDACTED] These instructions apparently deemed it unnecessary to interview the above-mentioned list of individuals about Christian Anti-Jewish Party and meant that interviews be confined to seeking information about STONER, [REDACTED] particularly any acts of violence by them.

b7C

Knoxville letter to the Bureau dated 12/30/58, advised that the Christian Anti-Jewish Party case in their Division was being RUC'd since no information available showing it to be in existence in the Knoxville territory. Knoxville advised that interviews would be made of the list of individuals set forth in Atlanta airtel 10/29/58, and the results submitted under the caption of the Atlanta Jewish Temple bombing case, 10/12/58.

AT 100-4976

Atlanta, in view of Bureau's request that an intensified investigation be conducted of the Christian Anti-Jewish Party, believes it is necessary that all offices concerned submit a report concerning results of the above-mentioned interviews under the Christian Anti-Jewish Party caption, particularly information pertaining to the current existence of a Christian Anti-Jewish Party organization. If this is not desired, the Bureau is requested to advise Atlanta and all other interested offices.

For the information of all offices, the Bureau has previously instructed that when information furnished by Anti-Defamation League as [redacted] is set out in communications to be disseminated it should be characterized as having been received from [redacted] a representative of a private organization who obtained the data from a source whose reliability is unknown to the Bureau. b2 b7C b7D

Also, for the information of all offices, JESSE B. STONER, an attorney, is extremely anti-Semitic and has been active in hate type organizations for a number of years and was considered a prime suspect in the bombing of Temple Beth-El, Atlanta, Georgia, and at Birmingham, Alabama, and Jacksonville, Florida.

b7D

b7D

The Bureau and all offices' attention is directed to Bureau airtel to Memphis, copies to some southern offices, dated 5/28/58, entitled "CHRISTIAN ANTI-JEWISH PARTY, IS - X". which reads:

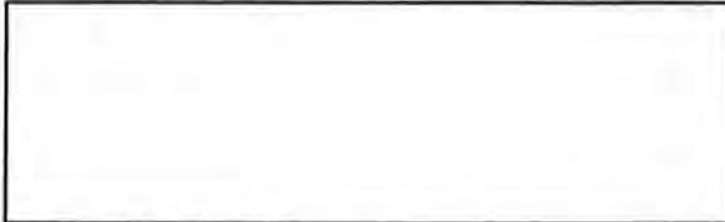

"As you are aware, the Birmingham Police Department recovered a bag containing unexploded dynamite at the scene of the attempted bombing of the Temple Beth-El in Birmingham. This bag contained a piece of cardboard and examination by the Bureau Laboratory reflected two latent fingerprints of value for comparison purposes on this cardboard. Photographic copies of these latent fingerprints have been retained by the Bureau.

"Although the Bureau is not investigating the recent bombings in the South, it is pertinent in connection with the investigation of the Christian Anti-Jewish Party (CAJP) to compare the fingerprints of logical individuals associated with Stoner and the CAJP with the fingerprints obtained by the Birmingham Police Department.

"Accordingly, all offices are instructed to review their files to identify all known members of the CAJP and other logical individuals such as close associates of Stoner. In instances where your files reflect that these individuals have FBI numbers, local arrest or other appropriate identifying numbers, submit the names of such individuals to the Bureau together with the appropriate identifying numbers in order that the fingerprints of such individuals may be checked against those obtained at the site of the attempted Birmingham bombing. Where your files reflect that logical individuals do not have appropriate identifying numbers, furnish the Bureau with appropriate background data re such individuals, including data re date of birth, race, sex, residence and occupation in order that a name check of Identification Division records may be conducted. In nearly all instances such background data will be available in your files. Where such data is not so available, obtain same through credit checks. If your files reflect that an individual whose fingerprints should logically be checked resides in another field division, set forth a lead for the pertinent office to obtain the desired data. Do not conduct any overt inquiries, including contacts with police departments, to obtain this information and caution any office having leads in this matter accordingly. Submit such data immediately under the caption

CE 105-217

"of this case and designate a copy of your communication for the Identification Division. You are advised that the Identification Division has already been requested to conduct fingerprint comparison examinations on the following individuals:

b7C

Jesse B. Stoner

"Stoner, who is residing in Dublin, Georgia, reportedly has stated he must lay low until at least June 1 to avoid arrest and that he has another job due soon. For the information of all offices Savannah was instructed by teletype May 27, 1958, to institute intensified coverage of Stoner immediately including use of informants or other type coverage in order to be aware of his activities on a day-to-day basis. Savannah was instructed to institute fisur to cover his activities, if necessary, but that fisur must be discreet to avoid embarrassment to the Bureau. Savannah advised on May 28, 1958, that Stoner will not be working on May 30, 1958, and fisur will be instituted.

"Offices covering residences of individuals known to have been affiliated with CAJP or Stoner are instructed to obtain immediately informant or other type coverage of these individuals in order that all pertinent activities on their part will be known to your offices. This investigation must be pressed vigorously.

"It is reiterated that the investigation of Stoner and others is for the purpose of determining if they are engaged in activities which would bring them within the purview of Executive Order 10450."

CE 105-217

In view of the above instructions, the Bureau may desire to compare the fingerprints of the individuals contained in the application and notebook, if available, with the two latent fingerprints which were recovered by the Birmingham Police Department at the scene of the attempted bombing of the Temple Beth-El in Birmingham. In this regard, it is noted that the application and notebook contain the individual's name, date of birth, residence and occupation, and it is believed that all of the individuals will be members of the white race. /

The Bureau's attention is also directed to Charlotte letter to Bureau, attention FBI Laboratory - Mechanical Section, dated 9/3/59, entitled "JESSE B. STONER, RACIAL MATTERS," and Bulet to Charlotte, 9/11/59, wherein the Bureau retained two copies of the photograph of personal effects of JESSE B. STONER. This material also included some applications for membership in the Christian Anti-Jewish Party, and the Bureau may desire to check these individual fingerprints against the latent fingerprints which were obtained in the Temple Beth-El bombing, Birmingham, Alabama. Charlotte will disseminate this information and additional information contained in the metal filing cabinet to the appropriate offices in the near future. //

By letters dated 10/6/59 and 11/30/59, the Charlotte Office furnished various divisions with data found in the possession of J. B. Stoner. Appropriate offices were to identify identification records for Stoner's contacts in order that fingerprint comparisons could be made with latent fingerprints recovered at the scene of the attempted bombing of Temple Beth-El in Birmingham, 4/28/58.

A review of the Bureau's file indicates that offices receiving copies of this communication have not yet completed their leads.

Atlanta, as office of origin, should closely follow and coordinate, and all offices should bring to a logical conclusion at an early date, no later than 1/15/60.

It is only intended that a reasonable effort be made to locate fingerprints for comparison. It is not intended that these individuals be subject to continuing investigation on the basis of their contacts with Stoner in the absence of some definite indication that they have a potential for violence.

Re Knoxville letter to Bureau dated 1/13/60.

b7C The approximately 70 names of individuals which appeared on literature reflecting some possible connection with either J. B. STONER or CHRISTIAN ANTI-JEWISH PARTY (CAJP) mentioned in referenced letter have been checked through the files of the Chattanooga Credit Bureau and files of the Hamilton County Election Commission Office, Chattanooga, Tennessee, by SA [redacted]. The background information obtained regarding these individuals is being retained in files of the Knoxville Division.

b7C The remaining names were searched through the files of Hamilton County Election Commission, Chattanooga, Tennessee, by SA [redacted] on 1/25/60 and if no record located they were searched through files of the Chattanooga Credit Bureau on 1/26/60, by SA [redacted]. Set forth below and underlined are the names and addresses as they appeared on the literature reflecting possible connection with either J. B. STONER or CAJP. Following this subheading will be the information obtained from Hamilton County Election Commission with Hamilton County Election Commission abbreviated as HCEC and second, information obtained from Chattanooga Credit Bureau, Chattanooga, Tennessee, abbreviated as CCB. Information set forth under HCEC and CCB is concerning individuals possibly identical with names listed on literature of CAJP or J. B. STONER.
